CSU-ERFA grants are available to CSU-ERFA members to support research and creative projects that are in accordance with the following goals:

- Scholarly research on issues important to the retiree as a continuing member of an academic discipline or community;
- Research and scholarly projects that contribute to the quality of life of the retirees in the University system;
- Research pertaining to the retirement concerns of faculty within the California State University System; and
- Research and creative projects that contribute to a given academic discipline.

CSU-ERFA Foundation encourages CSU-ERFA members involved in research and creative projects to apply for a grant. The small grant program is competitive, with past awards ranging from \$100-\$2,000, depending upon the number of proposals and the amount of money available for grants from the CSU-ERFA Foundation. Preference is given to first time grant applicants when grant proposals are of equal merit.

Grant applications and guidelines can be downloaded at [http://csuerfa.org/services.html#Grant Awards Program](http://csuerfa.org/services.html#Grant_Awards_Program), by calling the CSU-ERFA office at (818) 677-6522, or, by emailing your request to csuerfa@csun.edu.

Note: Grant Recipients are required to submit a final report of their Research/Creative Activities one year from receiving a grant. Failure to submit a report will exclude an applicant from future grant awards.
